What Is The Mendelsons Fixed-Price Fully - Inclusive Legal Action Service?

- Every legal action is vetted by a qualified Lawyer who undertakes overall responsibility for the matter.
- You will go right through to Judgment for the one **all-inclusive cost**, for undefended claims and subject to the terms detailed in these notes.
- The fixed fee covers all ordinary expenses, including attempts to obtain either full payment of the claim or a settlement acceptable to you.

How Long Will I Have to Wait To Receive Payment From The Debtor?

- Unfortunately, no guarantees can be given as to when payment will be received. It is our philosophy to try to use legal action as a lever to get settlement from the debtor.
- Mendelsons Lawyers will maintain contact with the debtor to convince him to make payment prior to Judgment being taken out.
- Many debtors will pay up or enter into settlement negotiations after receiving the Claim to avoid judgment being taken out.

What Is A Judgment?

- A Judgment is a formal Order from the Court which forms part of the public record.
- If a Judgment is taken out against a debtor, details are published in various gazettes and the information will be recorded on the debtor's Veda Advantage Credit file. This will make it difficult for the debtor to obtain credit at a later stage.
- It takes between 4 to 6 weeks from the time we commence to obtain a Judgment and it is enforceable for 12 years.
- Interest runs on the Judgment from the date of the debt, at a prescribed rate.

Will I Need To Go To Court?

- Over 95% of legal actions initiated by Mendelsons Lawyers for undisputed debt matters result in either a default Judgment or a settlement. There is **no Hearing** and no need for evidence to be given in these cases.

Out of State Service

If the Debtor is located outside New South Wales, an additional \$100.00 will be added to the cost of the Fixed Price.

What Happens If The Debtor Does Not Pay On The Judgment?

- The Judgment itself contains no enforceability component. Therefore, if the debtor does not pay, it is then necessary to take separate enforcement procedures. We will discuss with you the enforcement options.
 - We offer the following enforcement procedures:
 - Oral Examination
 - Writ for the levy of property
 - Garnishee of Earnings
 - Bankruptcy proceedings (for individuals)
 - Company Wind-Up
- We offer a fixed-price fully inclusive rate for each enforcement procedures. If you would like further information please contact the Pre-Legal Team to request our *Fixed-Price Fully-Inclusive Legal Enforcement* brochure, for New South Wales.

Further and Better Particulars

- In New South Wales, a Defendant is entitled to request Further and Better Particulars before he lodges a Defence.
- To comply with a request, the Plaintiff will need to supply copies of documents which support the claim and provide additional details.
- In our experience, only a small percentage of Defendant utilise this right.
- If a Request is received, Mendelsons Lawyers will handle it for the additional fixed fee of \$350.00 + GST.
- If you elect to not respond to the Request, we will be unable to continue with the legal action and in that event, the Fixed Price Fully Inclusive fee will not be refunded.

What Happens If The Debtor Defends The Action?

- Legal proceedings for recovery of debts are carried out under a procedure which allows judgment to be obtained “by default”. There is no court hearing, no requirement to give evidence and no additional cost.
- If the debtor defends the action then unless a settlement can be negotiated, a court hearing will be held. Our **Fixed-Price Fully-Inclusive Legal Action Service does not extend to defended matters**. Our Lawyers will contact you if a Defence is received, to discuss the claim.
- If a Defence is lodged, it does not mean that it is a valid defence to the claim. However, it will mean that a default Judgment cannot be entered and it will involve you in some legal costs. In most cases where a Defence is received, a settlement is achieved prior to the court hearing.
- Less than 5% of legal actions initiated by us result in a Defence being lodged.

Unable to Serve Debtor?

- The fees covers up to 3 attempts at service.
- If we are unable to effect service and recommend obtaining an order for substituted service, our lawyers will discuss the cost with you. It will be your choice whether you proceed or not. The success rate on such applications is very high. If you don't proceed, there is no refund of the Fixed Price fee paid to Mendelsons.

Deed of Settlement of Debt.

- The fee does not cover negotiation of a deed of settlement with the debtor. If you authorise a settlement, the fee chargeable is \$250.00 plus gst.
- If the settlement is ultimately breached by the debtor, our lawyers will discuss with you the costs for entering judgment (which will normally include the additional costs which the debtor is liable for pursuant to the deed).

How Much Money Will I Get Back?

- The Judgment will include legal costs and interest. From the amount recovered, you will receive a credit in full for the costs awarded by the court and will then receive the balance of the judgment amount.
- Any business with an ABN will be able to claim a GST credit for the amount detailed on the “**Action Form**”.
